

COLUMBUS TRANSLOAD FACILITY (CTF)

ContainerPort
GROUP

Ag-Ready. Rail-Connected. Built for What's Next.

Operated by WDS, the warehousing division of ContainerPort Group—we bring transload, trucking, and depot services under one powerful, integrated platform.

LEARN MORE

KEY HIGHLIGHTS:

STRATEGIC LOCATION

Columbus, OH hub with fast access to NS Rickenbacker, Route 71, Route 270 & Route 70.

CONTAINER DEPOT PROXIMITY

Adjacent to a 65-acre Creekway container depot

INTEGRATED TRUCK + RAIL CAPABILITIES

Transload, drayage, storage & scale—all in one fenced, 24/7 secure yard.

HEAVYWEIGHT EXPERTISE

Maximize cargo weight without permits. On-site certified scale. Blocking & bracing specialists.

AGRICULTURE & BULK FRIENDLY

Built for high-volume ag shippers: conveyor unloading, bulk transload, 58K lbs/container capacity.

COMING SOON...

DIRECT TRUCK SHUTTLE SERVICE

As Norfolk Southern's CTF rail service winds down, CPG is launching a company truck-operated shuttle between Discovery Park and NS Rickenbacker.
