- Direct Service
- Fast Turn Times in Port

GUARANTEES

- No Blank Sailings
- Equipment Availability
- On-Time Arrivals and Departures

RELIABILITY

- Fixed-Day Sailings
- Fortnightly Service
- Fixed, Long Term Schedules

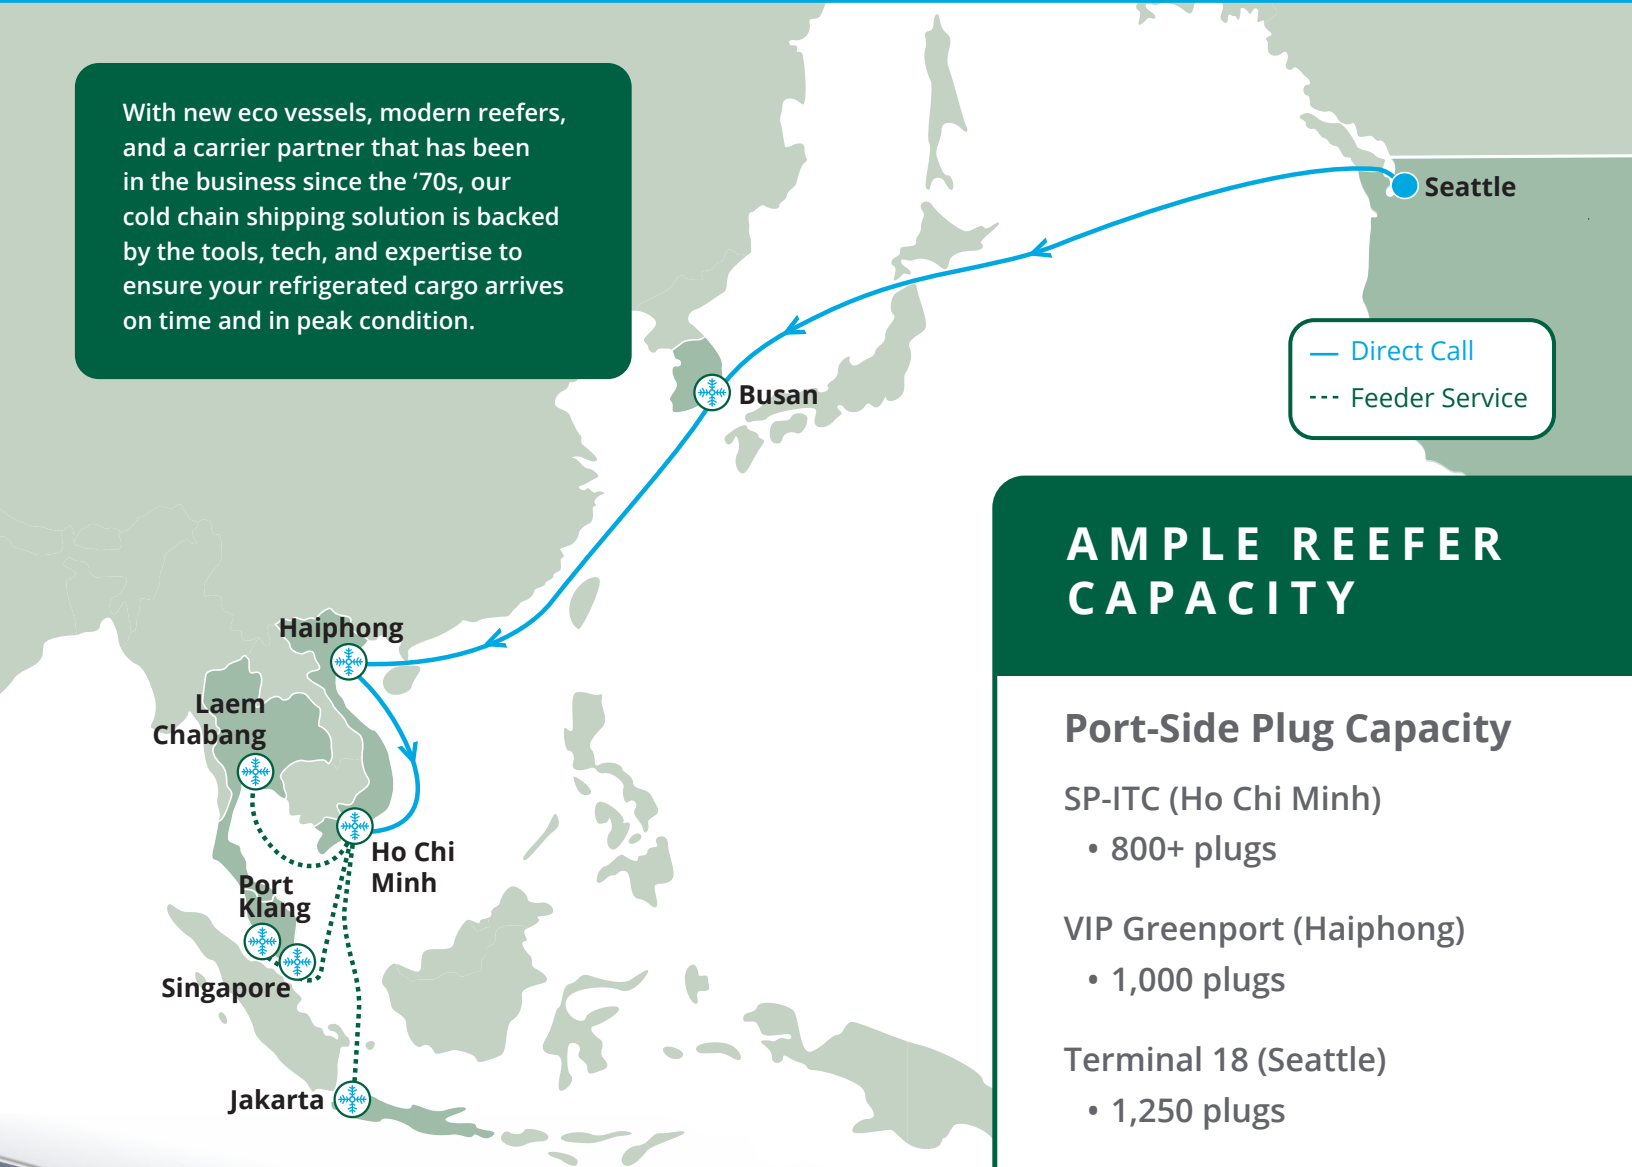

UWL has contracted with Swire Shipping to provide refrigerated cargo transportation aboard our *Sun Chief Express* service between Seattle, WA and Vietnam. Whether you are moving produce or protein, this premium service provides the speed, guarantees, and predictability needed to reliably transport your time- and temperature-sensitive cargo from source to shelf.

COMMODITIES:

- Seafood
- Protein
- Fruits
- Vegetables

With new eco vessels, modern reefers, and a carrier partner that has been in the business since the '70s, our cold chain shipping solution is backed by the tools, tech, and expertise to ensure your refrigerated cargo arrives on time and in peak condition.
